7. STATEMENT OF REASONS

Description of the development
Reconfiguring a Lot for a Subdivision (Ellida Estate Stage 2 – Two (2) Lots into 49 Lots and Balance)
Reasons for Decision
<p>a) Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity; and</p> <p>b) On balance, the application should be approved because the circumstances favour Council exercising its discretion to approve the application even though the development does not comply with an aspect of the assessment benchmarks.</p>
Assessment Benchmarks
<p>The development was assessed against the following assessment benchmarks:</p> <ul style="list-style-type: none"> • <i>Planning Regulation 2017</i>, Schedule 12A • Local Government Infrastructure Plan; • Low Density Residential Zone Code; • Access, Parking and Transport Code; • Landscape Code; • Stormwater Management Code; • Water and Sewer Code; • Filling and Excavation Code; • Reconfiguring a Lot Code; • Biodiversity Areas Overlay Code; • Bushfire Hazard Overlay Code; • Flood Hazard Overlay Code; and • Steep Land Overlay Code.
Compliance with assessment benchmarks

The development was assessed against all of the assessment benchmarks listed above and complies with all of these with the exception(s) listed below.

Assessment Benchmark	Reasons for the approval despite non-compliance with benchmark
Reconfiguring a Lot Code	<p>PO6</p> <p>The proposed development does not comply with Acceptable Outcome (AO) 6.1 because two (2) street blocks exceed 200 metres.</p> <p>Despite this, the proposed street blocks are rectilinear and arranged to provide an efficient neighbourhood pattern that supports walking and cycling. In addition, the two (2) street blocks only exceed the 200 metres by approximately 19 metres and 23 metres, respectively.</p> <p>Therefore, the proposed development is taken to comply with Performance Outcome (PO) 06.</p> <p>PO09</p> <p>The proposed development does not comply with Acceptable Outcome (AO) 9.1 because 20 per cent of the proposed lots for the development are not smaller than 450 metres.</p> <p>Despite this, the reconfiguration provides a range and mix of lot sizes from between 480 to 930 square metres to facilitate a range of housing choices.</p> <p>Therefore, the proposed development is taken to comply with Performance Outcome (PO) 09.</p> <p>PO28</p> <p>The proposed development does not comply with Acceptable Outcome (AO) 28.1 because open space or a local park is not being provided for this stage.</p> <p>Despite this a structure plan for the overall development has been provided and in future stages open space / local parks will be incorporated ensuring adequate and conveniently located open space and local parkland will be available for the community.</p> <p>The non-compliance with AO28.1 and corresponding Performance Outcome is considered a low-level conflict which will be addressed in future stages.</p>
<i>Planning Regulation 2017, Schedule 12A</i>	<p>Schedule 12A (8)</p> <p>The proposed development does not comply with Schedule 12A (8) because the reconfiguration does not provide a park within 400 metres of the proposed new lots.</p> <p>Despite this a structure plan for the overall development has been provided and in future stages parks will be incorporated ensuring adequate and conveniently located parks will be available for the community.</p> <p>The non-compliance with Schedule 12A (8) is considered a low-level conflict which will be addressed in future stages.</p>
