Plan / Document Name	Prepared by	Date	Reference No.	Version / Issue
Reconfiguration Plan	Capricorn Survey Group (CQ)	15 March 2024	9263-01-ROL	A

#### 6. CURRENCY PERIOD FOR THE APPROVAL (s.85 of the *Planning Act*)

In accordance with section 85(1)(b)(ii) of the *Planning Act 2016*, the development approval lapses if a plan for the reconfiguration that, under the Land Title Act, is required to be given to a local government for approval is not given to the local government within four (4) years after the approval starts to have effect, if not stated otherwise in the conditions of approval attached.

#### 7. STATEMENT OF REASONS

<b>Description of the development</b>	
Reconfiguring a Lot for a Boundary Realignment (two lots into two lots)	
<b>Reasons for Decision</b>	
Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity.	
<b>Assessment Benchmarks</b>	
The development was assessed against the following assessment benchmarks: <ul style="list-style-type: none"> <li>• Local Government Infrastructure Plan;</li> <li>• Low Density Residential Zone Code;</li> <li>• Reconfiguring a Lot Code;</li> <li>• Access, Parking and Transport Code;</li> <li>• Landscape Code;</li> <li>• Stormwater Management Code;</li> <li>• Water and Sewer Code;</li> <li>• Filling and Excavation Code; and</li> <li>• Steep Land Overlay Code.</li> </ul>	
<b>Compliance with assessment benchmarks</b>	
The development was assessed against all of the assessment benchmarks listed above and complies with all of these with the exceptions listed below.	
<b>Assessment Benchmark</b>	<b>Reasons for the approval despite non-compliance with benchmark</b>
Reconfiguring a Lot Code Performance Outcome (PO) 3	The proposed development does not comply with all of Acceptable Outcome (AO) 3.1 as while the proposed lots exceed the minimum lot size, the proposal conflicts with part of the prescribed dimensions for the Low Density Residential Zone. The maximum driveway length is prescribed as 40 metres for the Low Density Residential Zone whereas the access handle for Proposed Lot 12 is shown on the reconfiguration plan to be 56.24 metres.  Despite this, it is considered that the boundary realignment will result in lots with

	the appropriate size, dimensions and road access to accommodate the existing dwelling house on Proposed Lot 12 and any future residential use that is consistent with the Low Density Residential Zone. Therefore, the proposed development is taken to comply with Performance Outcome (PO) 1.
Steep Land Overlay Code Performance Outcome (PO) 5	The proposed development does not comply with Acceptable Outcome (AO) 5.1 because the minimum road frontage width for each lot is less than the prescribed width of 25 metres. Proposed Lot 11 is already improved by an existing dwelling house and the development does not establish a development footprint for Proposed Lot 12. Despite this, the proposed boundary realignment does not alter the existing frontage width of either lot and ensures that Lot 12 retains sufficient land area with slope less than 25% so that: <ul style="list-style-type: none"> <li>• future buildings can be located to avoid a potential landslide;</li> <li>• excessive work or changes to the finished landform are not required to construct a building or vehicular access route; and</li> <li>• future buildings will not be adversely affected by, or be an unacceptable risk from landslide activity originating on sloping land above the site.</li> </ul> Therefore, the proposed development is taken to comply with Performance Outcome (PO) 5.
<b>Relevant Matters</b>	
Not applicable to an assessable development application subject to code assessment.	
<b>Matters prescribed by regulation</b>	
<ul style="list-style-type: none"> <li>• The Rockhampton Region Planning Scheme 2015 (version 4.4);</li> <li>• The common material, being the material submitted with the application.</li> </ul>
