7. STATEMENT OF REASONS

Description of the development
Material Change of Use for a Warehouse
Reasons for Decision
a) Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity; and b) On balance, the application should be approved because the circumstances favour Council exercising its discretion to approve the application even though the development does not comply with an aspect of the assessment benchmarks.
Assessment Benchmarks
The development was assessed against the following assessment benchmarks:

<ul style="list-style-type: none"> • Local Government Infrastructure Plan; • Medium Impact Industry Zone Code; • Access, Parking and Transport Code; • Landscape Code; • Stormwater Management Code; • Waste Management Code; and • Water and Sewer Code. 	
Compliance with assessment benchmarks	
The development was assessed against all of the assessment benchmarks listed above and complies with all of these with the exceptions listed below.	
Assessment Benchmark	Reasons for the approval despite non-compliance with benchmark
Medium Impact Industry Zone Code	<p>PO7</p> <p>The proposed development does not comply with Acceptable Outcome (AO) 7.1 because the landscaping proposed is a minimum width of 1.5 metres along Burke Street, where AO7.1 requires a minimum width of two (2) metres throughout the site.</p> <p>Despite this, the proposed development ensures landscaping throughout the site makes a positive contribution to the streetscape because:</p> <ul style="list-style-type: none"> • Due to the operational processes occurring onsite, the development has proposed the maximum amount of landscaping that does not reduce the functionality of the use; and • Significant landscaping is provided within areas that are visible from the primary road frontage being Wade Street. <p>Therefore, the proposed development is taken to comply with Performance Outcome (PO) 7.</p>
Relevant Matters	
Not applicable to an assessable development application subject to code assessment.	
Matters prescribed by regulation	
<ul style="list-style-type: none"> • The Rockhampton Region Planning Scheme 2015 (version 4.4); • The common material, being the material submitted with the application.
