No offsets or refunds are applicable for the development.

The infrastructure charges of **\$756,000.00** must be paid when the local government issues the Approval Certificate for the Survey Plan.

This Infrastructure Charges Notice lapses if the development approval to which it pertains ceases to have effect in accordance with section 85 of the *Planning Act 2016*.

9. RIGHTS OF APPEAL

This Decision Notice may be appealed in accordance with the following sections of the PA:

- (i) Chapter 6 (Dispute Resolution), Part 1 (Appeal Rights); and
- (ii) Schedule 1 (Appeals).

Appeals against an Infrastructure Charges Notice

The person given an infrastructure charges notice may appeal the infrastructure charges notice on 1 or more of the following grounds —

- (a) the notice involved an error relating to —
 - (i) the application of the relevant adopted charge; or
 - Examples of errors in applying an adopted charge —
 - The incorrect application of gross floor area for a non-residential development.
 - Applying an incorrect 'use category', under a regulation, to the development.
 - (ii) the working out of extra demand, for section 120 of PA; or
 - (iii) an offset or refund; or
- (b) there was no decision about an offset or refund; or
- (c) if the infrastructure charges notice states a refund will be given—the timing for giving the refund; or
- (d) the amount of the charge is so unreasonable that no reasonable relevant local government could have imposed the amount.

To remove any doubt, it is declared that the appeal against an infrastructure charges notice must not be about —

- (a) the adopted charge itself; or
- (b) for a decision about an offset or refund —
 - (i) the establishment cost of infrastructure identified in an LGIP; or
 - (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

The appeal must be started within 20 business days after the day the recipient is given the relevant infrastructure charges notice.
