Appeals against an Infrastructure Charges Notice

The person given an infrastructure charges notice may appeal the infrastructure charges notice on 1 or more of the following grounds —

- (a) the notice involved an error relating to —
 - (i) the application of the relevant adopted charge; or
 - Examples of errors in applying an adopted charge —
 - The incorrect application of gross floor area for a non-residential development.
 - Applying an incorrect 'use category', under a regulation, to the development.
 - (ii) the working out of extra demand, for section 120 of PA; or

 - (i) the establishment cost of infrastructure identified in an LGIP; or

- (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

The appeal must be started within 20 business days after the day the recipient is given the relevant infrastructure charges notice.
