<b>DAC</b>	<b>BUILDING CERTIFICATION GENERALLY</b>						
DAC	Competitive Services Policy Notes for Building Certification Services and the like.						
DAC	Fees include - lodgement - assessment - inspection (s) as may be required and are to be paid in full at time of lodgement.						
DAC	No refund of fees will be made by Council in the event of the application lapsing or Council approving or refusing the application.						
DAC	The fee structure includes mandatory inspections as conditioned in the development approval. In the event an inspection result is failed, a reinspection fee will apply and must be paid prior to the final documentations being issued.						
DAC	Where the fee is shown as "Price on Application", quotations may be provided upon request in writing to the Manager Planning and Regulatory Services or Coordinator Building and Plumbing Services.						
DAC	N.B. Pool safety certificate default and commercial services are subject to Council having available an appropriately licenced and available staff member, when not so, the applicant is to be aware this service may include an out source fee component in order for the service to delivered.						
DAC	Pre-lodgement fee is deducted from the total fee charged at lodgement of the associated development application						
DAC	Where the Local Government is requested in writing under the Building Act 1975 to become the default certifier, the relevant assessment fee will be applicable as per the fees and charges schedule dependent on the type of application
